

January 2019

Dear Faithful Partners,

The start of a **New Year** brings a new clean slate to look at what **God did in 2018** and looking ahead to what **God will do in 2019!**

### 2018

#### Pastors and Wives Conference

The Lord provided for 24 couples who are faithful servants of our Lord to attend the Conference. There was such a sweet spirit. Pastor Jim Rushing and his wife Lynda ministered the Word of God.

#### TBBI Graduation of 23 students.

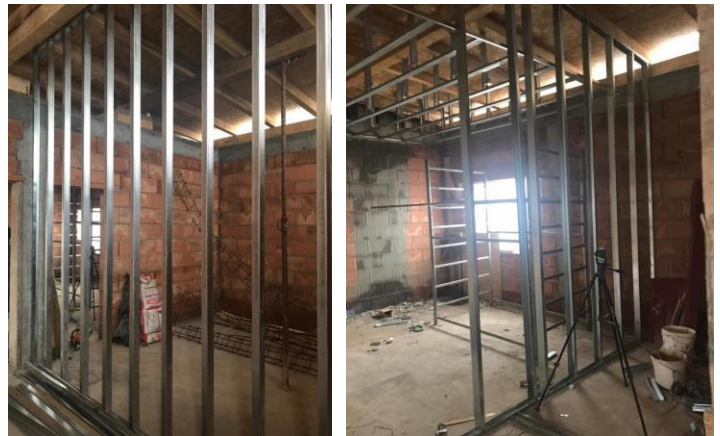

Pastor's Jim Rushing, Bill Fortner and David Nicola spoke at the graduation.

#### TBBI Don Kyer Building Remodel

God opened the door with a Double Matching Grant from the **Walden Living Trust**. Your response was amazing! We were to raise \$22,500 and YOU doubled that to put us over the top! **God continued to open the flood gates** and gave us the full amount, \$120,000, to finish the remodel in 2019!! **Glory to God in the highest!!**

#### Maranatha Baptist Bible College and Seminary

**The Lord brought 120 students for the new school year. We were excited to see 64 students graduate in the** Bachelors and Masters programs. Pastor Jason McClanahan taught a module on the Gospel of John. His daughter Olivia spent time with the children in the Children's Home where she was a blessing and blessed by these special kids. Lisa Allen taught the ladies and Mike had daily devotions.

**The Roof is now on** and we are working inside the building. We have a construction team from PA that will be joining our Romanian construction team at the end of this month, working with the electrical and the sheet rock.

**Please pray that all will go well and we can have this building move in ready by March 2019!**

We are so very thankful for the remodel moving forward and now we are praying for the funds to come in for us to make an offer on the **House Next Door!** Just to help you understand what this would mean to our school, **I will try to recap the importance of this purchase.**

1) We can use this for temporary housing. This will give us access to portions of our property that could be used for parking. We have a very narrow walkway to the back of our property and parking on the street is very limited.

2) The additional parking spaces would allow us to utilize our buildings for **Pastor's meetings, and Conferences.**

3) The lady next door is very unhappy with us, she has an angry spirit toward our Lord and our students. She calls the police if the students are singing or even on their cell phones talking in our courtyard. **She has also taken us to court** and even though her charges are frivolous, it still costs legal fees. **This would be a blessing to her and relieve us** from any further legal action she might take.

## HOUSE NEXT DOOR IN 2019

**God has miraculously brought in \$55,000 from faithful partners like you!** We would like another \$10,000 making \$65,000 to make an offer.

**Please pray for her salvation!**

**Please pray for her heart to soften** and she will accept our offer. Then she can purchase a place where she will be happier.
