

Dear Bill,

As we face this Coronavirus crisis for our Country, our people and the people of the World, we need to be reminded of the promise our Lord gives us in

**Isaiah 41:10!**

*"Fear thou not; for I am with thee, be not dismayed; for I am thy God; I will strengthen thee; yea, I will help thee; yea, I will uphold thee with the right hand of my righteousness."*

Let us each take time to reflect on God's promises for such a time like this. Let us encourage you to read **Psalms 91** allowing His Word to bring comfort. Perhaps you can lead your family in a time of prayer, remembering that **our God is Sovereign** over all and will protect and guide us through the Pandemic that has gripped our World. We can also use this time of unusual opportunity, to be a faithful witness for our Lord Jesus Christ.

One of our beloved missionary friends, Loreen Ittermann missionary to Moldova, sent this to her partners in ministry, we felt it was worth repeating to our faithful partners!

**"What a joy in the midst of a world in panic because of the Global Pandemic, the Kingdom of God continues in an atmosphere of peace, joy and love! What a privilege to be a child of God in these days of uncertainty! May we take this opportunity to share with those who are fearful and encourage them to find comfort and peace in our Lord Jesus Christ!"**

Please be in prayer for our Missionaries, staff, **Timisoara Baptist Bible Institute and Seminary**, teachers, students, graduates, their families and church families in Romania and Eastern Europe. Their government has taken measures to close the public schools and limiting gatherings of more than 60 people! Pray that the Lord will open many doors of opportunities to minister during this time of crisis.

Pray for our Missionaries, staff at **Maranatha Baptist Bible College and**

Pray for our missionaries, staff, at ~~Maramba Baptist Bible College and Seminary~~ **Seminary**, teachers, students and graduates, thier families, church families and ministries in India. We had graduation at MBBC last week, a week early due to the Government restrictions on the meetings of more than 100 and the revocking of all visas. Pray that all the students throughout India, Myanmar, Nepal, and other countries will be able to return to their homes safely carrying the gospel with them!

Please also pray for our US team serving here. We will be praying for each of you, our faithful partners, for your families and ministry. **We are praying that in Countries around the World, God will open unusual doors to share the Gospel of Jesus Christ! Praise His Name!**
